Dear Subscriber

The **2010 AIV National Training Calendar-June Update** is out now. We have added some new courses and changed dates on a few others. Download by clicking on the link below.

Time is running out to access **FarmReady funding** for 2009/10. To make use of the \$1500/year grant for 2009/10 you must complete a registered course by 30 June 2010. We have one Farm-Ready course left, the Frontline Supervision Skills for the Wine Industry course running in the Barossa on 28-29 June. The FarmReady program is continuing on through 2010/11 so if you miss out on the 2009/10 funding you can enrol in one of our courses running after 30 June.
